Campus Safety Committee

Minutes

Thursday January 24, 2024

11:00 am - 12:00 pm

[ZOOM](#)

Alexandra Thierjung - minutes

1) Housekeeping/Information Items

- a) Name change: "Campus Safety Committee" with updated CSC website

The term Facilities is being over used within committee names, the new name is also more appropriate for this committee

More communication is expected with the group and information on what is changing, in terms of information coming through this committee. Also, they expect to see those changes to the updated guidelines. Alexandra will relay this feedback to Brian (absent) Brian Fahnestock

- b) Confirm current participants: [Committee List](#) confirmed

- c) [2024 Meeting Schedule](#) confirmed

- d) Committee Guidelines - updating

2) Main Campus

- a) 2024 Facilities Master Planning commenced on December 13, 2023 with Cambridge West consultants, [new FMP website](#)

3) Campus Facilities Safety Projects Updates (Rob/Mark)

- a) Tree Trimming
b) Installation of new Administration Emergency Generator
c) Roof leak repairs
d) Replacement of PS Fume Hoods

The committee complained about power outage communication to the campus on what to do next, with Alertu updates or outage updates/end of issue. Specifically, in the Chemistry department. Adrienne offered to relay the feedback to Jordan Jordan Killebrew and Brian Fahnestock (Both not present)

4) Campus Safety Incidents - recap (Erik)

Notably reviewed hate crimes definition with the committee
